

CPRE Northamptonshire Town & Country Awards 2023

CPRE campaigns for a sustainable future for the English countryside, a vital but undervalued environmental, economic and social asset to the nation. We want these Awards to recognise projects in Northamptonshire that:

- protect the countryside
- assist urban renewal
- improve everyone's quality of life

What is awarded?

Each winner will receive a prestigious CPRE plaque.

Key dates

Nominations should be submitted by 30th September 2023. Entries will be assessed during October and the winners will be announced in November. A ceremony for the presentations will be scheduled later.

How do I make a nomination?

Anyone may submit a nomination. Please complete the form overleaf, together with additional documentation as necessary, and send by post, or alternatively by scanning and emailing. Addresses are on the bottom right of the Nomination Form.

Who will judge the Awards?

The assessment panel will include local architects and officers of CPRE Northamptonshire.

This competition is held every two years, alternating with our Community Award Scheme, which we will run again in 2024. The 2021 Town & Country Awards winners were:

Chester House
Estate
Little Irchester

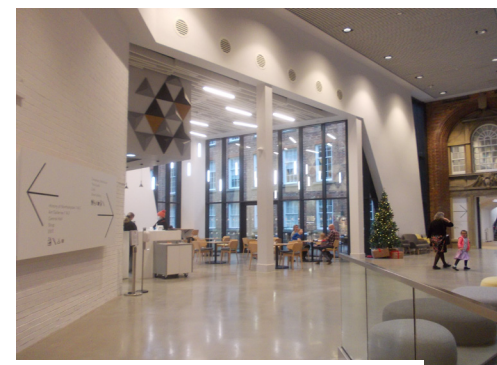

Pullman Close,
Rushton

Town & Country Awards 2023

This year we are again inviting nominations from CPRE members and non-members for innovative new and refurbished buildings, landscape and urban regeneration projects.

Northampton Museum & Art Gallery

Coles Close, Little Harrowden

Which projects can be nominated?

These are the categories for this year's competition. We may not make an award in each category, and some categories may have more than one award. Projects in categories 1 – 4 must have been completed since 2018.

1. Preservation and enhancement of the landscape

2. A smaller-scale project involving the design and implementation of one of the following, which is publicly accessible, or in school grounds:

- a garden
- a wildlife area
- a play area
- an example of local craftsmanship
- a newly-opened access to the countryside

3. Urban enhancements:

- a public space in an urban area
- regeneration in an urban area
- re-use of a brownfield site

4. Buildings in any location featuring:

- sympathetic restoration and re-use
- an example of innovative new build
- novel energy-saving measures
- an outstanding design

5. A recent project more than five years old, from any of the above categories, that is well-maintained and continues to meet its purpose
